

2005 Lower West Coast Water Supply Plan Update Process

Kick-Off Meeting

- Proposed process for LWC Plan update
- Statutory requirements of water supply plans
- Overview of 2000 LWC Plan
- Accomplishments of LWC Plan
- Southwest Florida Feasibility Study status & linkage with LWC
- Plan goals and objectives
- Distribute *Consolidated Water Support Document*

Demographics and Conservation Workshop

- Spatial distribution of future land use
- Population and demand projections
- Evaluating conservation in water supply planning

Water Reuse and Model Workshop

- Regional Irrigation Distribution System (RIDS)
- Goal and proposed objectives
- Overview hydrologic performance measures
- Hydrologic subregional models

Mid Hawthorn-Floridan Model Workshop

- Mid Hawthorn-Floridan hydrologic model assumptions
- Florida water and environmental protection rules
- Performance measure concepts
- Preliminary indicator regions for surficial model
- Performance measure viewer

Multiple Meetings

Mid Hawthorn-Floridan Model Workshops

- 2000 and 2025 Mid Hawthorn-Floridan hydrologic model runs
- Alternative model runs
- Finalize selected alternative model runs
- Identification of potential issues

Surficial Model Workshop

- 2000 and 2025 model runs
- Components for alternatives
- Identification of potential issues

Report to WRAC and Governing Board

Multiple Meetings

Model Alternatives Workshop

- Design model alternatives
- Alternative model runs
- Resource analyses
- Finalize selected alternative model runs
- Potential recommendations

Recommendations Workshop

- Finalize recommendations
- Cost Estimation

Draft Plan Workshop

- Review draft LWC Plan

Present Draft Plan to WRAC And Governing Board

DEP Review of Draft Plan

Governing Board Approval of Plan

Note: The majority of the meetings will be held
at the Fort Myers Service Center from 10am to 1pm
